

REMARKS

Favorable consideration of this application, as presently amended, is respectfully requested.

The present preliminary amendment is submitted to place the above-identified application in more proper format under United States Practice.

By the present preliminary amendment original Claims 1-6 are cancelled and new Claims 7-12 are presented for examination. New Claims 7-12 are deemed to be self-evident from the original disclosure, including original Claims 1-6, and thus are not deemed to raise any issues of new matter. Further, new Claims 7-12 are not believed to be more narrow in scope in any aspect in comparison with original Claims 1-6.

A new Abstract believed to be in more proper format under United States Practice is also submitted herein.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,
